My everything

God is my everything

Jesus was my love when I had no love

Jesus was my friend when I had no friends

Jesus was my father when I had no father

Jesus was my family when I had no family

Jesus was somebody for me when I had nobody

Jesus was my guidance when I was lost

Jesus gave me a purpose when I had no purpose

Jesus gave my life meaning

when life meant nothing

Jesus gave me the truth when all I had was lies

Jesus gave me a road when there was no where to go

Jesus saved my life when nobody cared for my life

Jesus gave me hope when all i was despair

Jesus gave faith when I all I had was pain

I was never alone

I'm free, free from the pain

Free from the scars

Free to sing, free from bars

Free to love and be happy

Jesus saved my life

Jesus saved my life

Jesus saved my life

Jesus saved my life

I am nothing without God

I am nothing without God

I am nothing without God

Every credit goes to him not me.

It was never me

He's my everything
